WORK CAMPS

The camp is one of the most popular summer events in Europe! It is a big opportunity for all the youngsters around the world between 18-30 years old. Moreover, if you are of people worried by the environment, the nature and the cultural heritage, this is your space. We propose to you the next country to devote the Summer to others.

ICELAND

LOCATION: There are **42** Work Camps for **all the litoral of the country**.

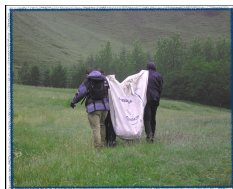

DATE: from June till September, for **two weeks**.

WORK: Projects are either environmentally or culturally based and we are always open to new ideas:

- Building hiking trails to protect nature/landscape.

- Working in forestry areas.

- Cleaning beaches/countryside.

Study theme- In many of our camps this year we will certain study theme: “**Global warming and new energy - Our climate, our actions, our future**”. There will be study about “**The hidden people, alfs and trolls**” and “**The Icelandic Saga – who were the Vikings**”.

More information about Work Camps, don't hesitate to ask us.

If you are interested, please send the application to evs@wf.is
